The Fair Work Dept believed a boat owner wasn't paying proper wages to his help.

An agent from Wollongong was sent to the fishing village of Kiama to investigate the boat owner.

**GOVT AGENT:** "I need a list of your employees and how much you pay them".

**Boat Owner:** "Well, there's Clarence, my hired hand. He's been with me for 3 years.

I pay him \$200 a week plus free room and board.

Then there's the mentally challenged guy. He works about 18 hours every day and does about 90% of the work around here. He makes about \$10 per week and pays his own room and board. I buy him a bottle of rum and 3 dozen stubbies every Saturday night so he can cope with life.

Also, he gets to sleep with my wife occasionally."

**GOVT AGENT:** "That's the guy I want to talk to - the mentally challenged one".

**Boat Owner:** "That'll be me. What'd you want to know?"

## JACK KOUWENHOVEN

I have been planting by the moon for many years. This chart gives one a rough idea what is the best time to plant.

**Francois Lottering is at Kruger National Park.** 2 hrs

· Phalaborwa, South Africa ·

Got this from one of my ranger friends in S.A..Kruger National park; elephant helps lion cub after she and her mom got tired walking for miles to a water hole. The elephant- from nowhere- came out of the Bush and carried the lion cub for more than 2 miles to the nearest water spot. Nature is just awesome.

***Special Thanks to Richard Porcina for this wonderful picture and for the jokes!***

Artificial intelligence is no match for stupidity.  
 Take my advice, I'm not using it.  
 He who laughs last thinks slowest.

Positive Aging:

Age is an issue of mind over matter. If you don't mind, it doesn't matter. – Mark Twain  
 You don't stop laughing when you grow old, you grow old when you stop laughing. – George Bernard Shaw  
 Old age is an excellent time for outrage. My goal is to say or do at least one outrageous thing every week. – Maggie Kuhn

Stuff to Ponder:

Tell someone that there are 400 million stars, and they believe you. Tell someone a bench has wet paint, and they must touch it.

Why doesn't glue stick to the inside of the bottle?

If a parsley farmer is sued, can they garnish the wages?

Should vegetarians eat animal crackers?

What do you call a fish with no eyes? A fsh.

“In this universe nobody and nothing can know in which part of the road they are! At the beginning? At the middle? At the end? Because end can happen at any time, the beginning of the road can be the end of the road as well. Or maybe the middle is the end! Besides, since everything is possible in this universe, end of the road may also disappear; end may turn into the endless!”
