

CHANGING YOUR MAIL AND EMAIL NOTIFICATION SETTINGS

If you haven't been getting email notifications from BCGREA, it might be due to settings in your Membership Profile. Did you know that you can review the settings and make changes?

Here's how:

1. Go to the BCGREA website: <https://bcgre.ca/>
2. Look for the blue "MEMBERS" button at the top right of the page and click on the button.

3. This will take you to the log in page for your membership. You will need to log in using the email address you used for BCGREA registration. Type in a password - the first password that you type in will become yours going forward. If you need your password reset, email Central Support at <mailto:info@bcgre.ca>

4. Once you've logged in, click on "PROFILE" at the top.
