Treasurer's Report for the October 14, 2026 Directors Meeting

As of September 30th, the provincial finances are on budget and we expect to end the year with a very small surplus.

In 2023 we changed the way our branches are funded. Instead of automatically paying each branch \$8 (of the \$20/member annual dues) we implemented a new funding model that paid each branch the funds required to raise their prior year-end cash to \$10 per member. While this change was successful in reducing the surplus cash being held at the branch level and generally worked well for most branches, there were some concerns. Basing funding solely on membership disadvantages small branches who have many active members that regularly attend meetings and social events, compared to large branches with a much smaller proportion of active members.

An Ad Hoc Committee, co-chaired by the President and Provincial Treasurer with 14 other members from a variety of branches, has been created to consider alternate funding models that will better meet our needs. The goal is to present a new branch funding model for approval at the April 2027 AGM, to be implemented in 2028.

I will be presenting our 2026 year end financial statements and 2027 budget at our Annual General Meeting in April 2027. In the meantime, if you have questions or comments, you can reach me by e-mail at: treasurer@bcgre.ca.

Sincerely,

Johanna Morrow
Treasurer, BCGREA
